CAMBRIDGE NETWORK PAIRS WITH YOUR SCHOOL TO PROVIDE THE BEST ACADEMIC SUPPORT

You are enrolled or re-enrolled in a Cambridge Network school with an online Academic Services partnership for the 2018-2019 school year. What does that mean? It means that you have access to a variety of online programs to best fit your academic needs and goals.

Here's a quick look at our Academic Services online program:

CHOOSE WHAT'S RIGHT FOR YOU!

The majority of our online partner schools allow their Cambridge students to choose which Cambridge Network Academic Services program is best for them. The programs available to all online students include:

- » **Online Courses** providing the additional support most commonly requested by our international students
- » **College Advance** Honors Program
- » **One-on-one Subject Tutoring** in the academic area the student would most like to strengthen

Students can also move between pathways from year-to-year or semester-to-semester depending on their overall academic performance.

OUR ONLINE COURSES HELP YOU ON YOUR PATH TO ENGLISH FLUENCY!

Our **Online Courses** are ideal for students still on the road to English fluency. Held afterschool once a week for an hour each class, these online courses are conducted live utilizing some of the most in-demand and top online instructors in the United States.

Coursework is designed to be a combination of class, group, and individualized instruction with a minimum of 2 months of strict one-on-one support built in to every level:

GET THE STRONGEST COLLEGE APPLICATIONS POSSIBLE WITH COLLEGE ADVANCE!

For our most advanced students, our **College Advance** Honors Course will help you soar. College Advance is an online course focusing on two goals: building highly advanced critical thinking skills and achieving student goals for college admittance.

Students have about 2 hours of homework each week to prepare for their 1-hour online class.

The class itself is reserved for critical discussions and one-on-one academic writing support. Seniors enrolled in our College Advance class truly have a leg-up on their fellow students. Our instructors have been helping students achieve their college entrance dreams for years and have helped student gain entrance to the most competitive universities in the United States.

CUSTOMIZED TUTORING HELPS STUDENT AT EVERY LEVEL AND IN ANY SUBJECT!

For the first time, Cambridge Network's Academic Services is extending our incredible **Tutoring Services** programs directly to the students enrolled in our Academic Services partner schools. If your school opens this option to you, you may choose to enroll in up to 35 hours of one-on-one online tutoring. (Number of hours is determined by tutoring subject and tutor availability.)

This tutoring can cover all academic subjects (science, math, social studies, etc.), all academic levels (CP, honors, or AP), intensive English as a second language skill building, or SAT/ACT/TOEFL test prep. The tutoring is conducted online and according to the student's schedule.

Our tutors are some of the top educators in their fields while also being highly aware of the unique challenges faced by international students attending schools in the United States. All online tutors have experience conducting engaging and personalized online tutoring sessions.
